

Ramel Jennings known on the block as Ra is not your typical pretty boy thug type, hes a straight goon. Andrea Coleman, AKA Dre, grew up on the same mean streets. Hanging with her drug dealing older brother, she was more partial to boxing and basketball than ballet and Barbies. The two have been friends for as long as they can remember and in love for about the same amount of time; although neither would admit it. Dre eventually inherits the blocks hustling cocaine trade and Ra, of course, is her right hand man. Take a wild ride with two of Harlems finest as they travel up and down the east coast on a paper chase. Love is the only thing they cant outrun. Previously released as Stud
