CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition is designed around the Dental Assisting National Board (DANB) Examination blueprint. Its fresh approach centers on how and what to study to pass a variety of state and regional exams, while eliminating tangential material that can bog down the study process. Exam-focused chapters cover General Chairside Assisting, Infection Control, and Radiation Safety, including photos, procedures, and terminology. CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition also lays a foundation for the testing experience with an overview of the CDA, RHA, and ICE exams, exam study techniques and tips, and a discussion of other certifications offered by the DANB. Every chapter begins with a pre-test containing a variety of exam questions on a particular topic area of the exam and concludes with answers, and rationales for each of the questions presented.
