

DIGITAL PERFORMER 4 IGNITE! Are you ready to explore the world of music sequencing on your desktop? Digital Performer 4 Ignite! is your introductory guide that will lead the way! Get a step-by-step, illustrated introduction to the world of Digital Performer and learn how to use many of the tools that it has to offer. Along the way, you'll gather tips that will help you create your work faster and easier, and you will learn some creative tricks to make your music stand out. Digital Performer 4 Ignite! takes you through the steps you need to successfully record, edit, and mix using the amazing audio and MIDI sequencing production system that is Digital Performer. Ignite your music with the power of Digital Performer!

DIGITAL PERFORMER 4 CSI STARTER As a new user to Digital Performer 4, your creative mind needs the interactive environment of the CSI Starter to get up and running quickly! This CSI Starter provides you with effective interactive training for learning Digital Performer 4. It acts as a vehicle for you to see and hear the steps of producing a song as an experienced user takes you through it. You're guided from set up, through recording, editing, mixing to creating a CD/MP3 and backing up your files. To encourage you to get comfortable with working within DP, you can easily switch between the CSI and Digital Performer itself. It's an ideal structure if you're the kind of learner that likes to jump right into an application and practice what you've just learned. Digital Performer 4 CSI Starter can be used as a great first step to learning the basics and becoming familiar with the application. Then, you can dive into learning the more advanced functions of Digital Performer found on Digital Performer 4 CSI Master.
