

Science Fiction Fantasy Book 1 in the Destinys Kingdom series The planet Bethel seems perfectly peaceful, so why is Quade Decairus having nightmares about its destruction? An ancient entity has breached the Bethel galaxy and will systematically destroy it unless the chosen, spoken among his people as a fairy tale legend, come together to intervene. Even worse, the burden of fulfilling this deed sits squarely on Quade's shoulders. These warnings were easy enough to ignore until mysterious things start to happen. Clea, Trina's best friend and law-breaking smuggler, seems to have secret, untold information about the legendary chosen, which she is unwilling to disclose. Instead, as Quade's world privately unravels around him, Clea chooses to pursue her own path, and disappears on the eve of Twilight Bloom. Finally, Trina's father, the Keystone of Bethel and most influential figure in the galaxy, starts behaving like a man possessed. As it becomes clear that Quade cannot protect those closest to him by himself, he must seek the help of others: the Ave, a powerful, wise magic user; the emissaries, whose warnings and advice Quade had originally shunned; but most of all, Quade must find the strength and resolve within himself to seek out the chosen, realize his own destiny, and to do whatever it takes to save his world and the people that he loves.
