

La intervencion en la esfera publica constituye uno de los rasgos centrales del perfil intelectual de Jose Saramago. Su voz se convirtio en una referencia global, particularmente identificada con el pensamiento critico, la defensa de los excluidos y la reivindicacion de los derechos humanos. La concesion del Premio Nobel de Literatura en 1998 contribuyo a acrecentar el alcance de sus palabras. Este libro constituye un repertorio de declaraciones del autor recogidas en prensa escrita desde la segunda mitad de los anos setenta hasta marzo de 2009. Su vertiente de creador de opinion publica queda bien patente en estas paginas, que ahondan en la identidad de Jose Saramago como persona, como escritor y como ciudadano comprometido. Controvertido y racionalista, sentencioso e imaginativo, original y provocador, politico y combativo, Saramago observa, analiza y saca conclusiones poderosas formuladas mediante frases robustas y sugerentes. Unas declaraciones que constituyen hoy un valioso caudal de informacion y de presentacion de ideas y valores eticos, asi como un compendio de sabiduria. ENGLISH DESCRIPTION One of the main aspects of Saramago's intellectual profile was his active participation in the public sphere. His voice became a global point of reference, particularly identifiable with critical thinking, defense of the weak, and the restoration of human rights – a voice that only became stronger with the author's receipt of the Nobel Prize for Literature in 1998. This book constitutes a repertoire of statements made by the author and captured by the press between the second half of 1960 and March 2009. His significance as an originator of public opinion becomes evident in these pages, which delve into the various identities of Jose Saramago: the man, the author, and the committed citizen.

The Eyes of Bast, Scholarship Almanac 1999 (Annual), Immergersi nel luogo prescelto (Italian Edition), Dragon Strike: Age of Fire, Book 4, Software Development with UML, Current & Future Trends in Bridge Design, Construction & Maintenance,

Cain by Jose Saramago at cangoru.com - ISBN - ISBN en el que el lector asiste a una guerra secular, y en cierto modo, involuntaria, entre el creador y su criatura.
