

Two hardheaded investigators chase danger and each other in New York Times bestselling author Carla Cassidy's newest Scene of the Crime case Gabriel Walters didn't need some know-it-all FBI agent charging in on his territory. But Jordon James wasn't about to let some local police chief derail her, not with three unsolved murders over at the Diamond Cove B&B. If she just immersed herself in the investigation, she could avoid the troubles she left back home and run head-on into some new ones with Gabriel. He didn't want to discover a fourth victim, which, if the note slid under Jordon's bedroom door was to be believed, would be her. Now it will take their full cooperation to catch a killer before they strike again.
