

Perfect for getting children away from computer games and out into the open air to discover nature, this colorful, easy, and fun bird guide is ideal for beginning birders. Spot the Bird covers more than one hundred of the most common North American birds. Each page features one bird, along with a full-color photograph and clear, concise text to pick out the main identifying features. Colorful symbols let young naturalists know what the bird eats, where it lives, how many eggs it lays, and whether it will be seen alone or in flocks. To add fun to the challenge of spotting them, all the birds have stickers – when children spot the bird, they can add their sticker! Key Features: Full color, photographic images Includes more than one hundred common North American bird species A compact, portable format – easy for children to handle Four pages of one hundred stickers provide an additional challenge that will hold and reward a child's interest
