Book #1: To the Sea Kira plans the perfect future, but loss casts her adrift. She seeks solace in salt: tears, sweat, and the sea, where she meets sultry Jamie. Then there's soulful Ian, her surf instructor, who helps her get on her feet and ride the waves. But grief continues to haunt her. Torn between the tides, Kira discovers strength and courage, navigates loss, lust, and love, taking readers along for the plunge.

Book #2: Surfaced By 18, pro surfer Jamie Burke captured the hearts of surf fans everywhere. By 20, he broke just as many hearts trading his prowess on the waves for one-night stands. By 22, he lamented losing the woman who changed him. Then he disappeared. When Jamie surfaces in his hometown, he realizes his high school sweetheart is the one. He also finds pieces of his broken family; it's up to him to help put them back together. As he fights temptation, sinks into despair, and struggles to open up, his biggest adventure is dropping anchor.

Book #3: In the Desert Fiery film student Brighton Holmes wants an epic road trip. But when a British bad boy unexpectedly joins her, the pair clash; she seeks a place to wash her mind of the past. Meanwhile, he dodges heartache. By the time they reach the coast, they've grown closer. Then real life intervenes, splitting them apart. Even as Brighton tries to shake her mind loose from him, the memory of his sexy voice, rainy day eyes, and the miles they shared, lingers like a song stuck in her head. Six months later, at a concert, the compass of her heart finally leads Brighton home.

Book #4: Mirrored At the end of Alex Stihl's summer tour, he wants nothing more than to spend a few quiet weeks by the sea with his guitar and his girl. When he learns her mom faces a health crisis, his attention turns to his own mother who split when he was born. Meanwhile, paparazzi harass the couple, culminating in a frenzied night when Alex says goodbye to his dying mother, an impromptu performance at a rock club, and a band breakup. If Alex can tear himself from the madness, his biggest hit will be a sunset in the sand and a duet with his girl.

Book #5: On the Mountain Modeling contract? Check. Drinking and dancing at the hottest NYC clubs? Check. An unsettled feeling about the future? Um, check. Pressure to begin college and an epic blowout with her best friend, turns Baskia Benedict's party life toxic, resulting in an escape to the family cabin in the mountains. An unexpected visitor appears, seeking refuge from his own problems. All Baskia needs are a few days to get her head clear, but she's distracted by his seductive charm. As weeks turn into months, Baskia stubbornly remains and discovers the simple life might just save her from herself.
