

Can Tori balance career, family, love, and shopping? Tori Sanderson has the professional opportunity of a lifetime. If she can prove she's executive material, she's in line for a big promotion. But there's only room for one new account executive, and her co-worker has his eye on the job ... and on Tori. How can she consider romance when she couldn't hold on to the one man who was supposed to love her forever--her own father? The time has come for answers, and Tori decides to search for the father who deserted her twelve years ago. Will she find the answers she craves? And will she ever be able to love again? Sometimes tender, sometimes lighthearted, *Third Times a Charm* has it all. Ginny always wins me over with her humor, but this time she captivated me with her depth. Highly recommended!--Janice Thompson, author of *Fools Rush In* An irresistible story of pain, discovery, and triumph that has all the elements of a wonderful love story.--Maggie Brendan, author of *No Place for a Lady and The Jewel of His Heart* Virginia Smith is the author of more than a dozen novels, including *Age before Beauty* and *Stuck in the Middle*, which was a finalist for the 2009 American Christian Fiction Writers Book of the Year award.
